1. Call to Order

2. Sign Permit Applications

- a) **Magical Beginnings – 10 Old Post Road South.** The VEB expressed concerns that the proposed font size might be too small to be visible on the facade. It was clarified that the rendering shown in the photo was not clear. For comparison, the letter “L” will be approximately 11 ½” inches in height. It was also clarified that the glass will not be tinted black as depicted in the rendering; instead, it will be transparent and feature the curving blue lines and green stars shown in the design. Following the discussion and clarifications, the VEB unanimously agreed that the proposed design was acceptable.

- b) **Magical Beginnings – 365 S. Riverside Ave.** There are two façade signs at this location. The first sign is the same as above facing S. Riverside. The second sign faces Benedict Blvd which is

slightly different. Following the discussion and clarifications above, the VEB unanimously agreed that the proposed design was acceptable.

South Riverside Avenue

Benedict Boulevard

- c) **The Hudson Condos – 25 S. Riverside Ave.** A description of the proposed sign began with “The Hudson” and showed the sign positioned directly against the entrance stair, at a riser before the intermediate landing. A photo of the sign placed was shown. The VEB unanimously agreed that the proposed design was acceptable. The landscaping in the front yard was also discussed, and the plantings were reported to be growing and thriving.

3. Review of Village Projects

- a) **Dobbs Park Scoreboard.** The VEB unanimously agreed that the proposed scoreboard was acceptable.

4. **Approval of Minutes** –There were no comments to the draft Minutes dated May 12, 2026.
