Chemical Engine Company, located at 154 Grand Street, has requested to host a fundraiser for a member in need. The fundraiser is slated to be held at the firehouse on October 16, 2026.

General Municipal Law § 204-A requires the fire company to provide notice to the governing board of the municipality of its intent to hold a fundraiser and the governing board has 30 days to approve, deny or take no action on the request.

A copy of the fundraiser flyer is included in the agenda backup. Please let me know if you have any questions.
