The Village of Croton-on-Hudson Board of Trustees is seeking to amend Chapter 230, Zoning, of the Village Code to provide clarification for land use applications in connection with licensed adult use cannabis dispensaries. This local law provides definitions for adult-use cannabis retail dispensaries and public youth facilities, as well as updates the definition for vape and tobacco shops. The law also provides supplementary regulations for cannabis dispensaries. These regulations have been drafted in conformance with the guidelines provided in the Cannabis Law as enacted by the Marijuana Regulation and Taxation Act (MRTA). Under this local law, future dispensaries will be allowed as a special permit use in the following zoning districts: Central Commercial (outside the gateway districts), Riverside Commercial C-1R(A) and Light Industrial. They will also be allowed as a special permit use in the North End Gateway District (O-1 and C-1).
