From: NYS Department of State, Coastal Consistency Unit

Date: October 9, 2026

Re: **F-2026-0529(FA):** New York State Department of Transportation - federal funding for regionwide remark and reapply long line pavement markings to maintain their intended reflective properties and delineation, thus ensuring that the roadways and traffic lanes remain property defined. The subject project proposes to apply epoxy and pre-formed

**Department
of State**

pavement markings over existing markings on various federal aid eligible State Highways throughout the region. All project activities will be limited to existing pavement. The project location map is enclosed.
