MEMORANDUM

Date: January 4, 2024
 To: Michael G. Bartholomew, City Manager
 From: Ryan N. Johnson, Assistant Director of Community and Economic Development
 Subject: Backflow Solutions, Inc. (BSI) Service Agreement

Issue: The State of Illinois Cross-Connection Control Program is one of several tools intended to protect the public water supply. The *Illinois Environmental Protection Act* and 35 Ill. Adm. Code 607.104 grants the Illinois Environmental Protection Agency (IEPA) authority to develop and modify agency regulations regarding cross-connection or backflow devices. The IEPA requires local water supply officials to protect their water mains from connections that have the potential to allow the backflow of contaminants into their respective distribution systems.

Analysis: The Community and Economic Development Department (CED) manages the City’s backflow device program under EPA guidance which stipulates that each backflow device (private or public) in the City must be tested annually, and those results collected and maintained by the City. There are currently over 2,800 backflow devices in service in the City.

CED staff used to mail 100-200 notices and invoices per month to property owners with backflow devices, notifying them of the requirement to have a certified cross-connection plumber test each device and provide the results to the City. When backflow devices failed, CED staff would notify the property owner that repairs were to be made.

In 2021, the City entered into an agreement with Backflow Solutions, Inc. (BSI), a company headquartered in Alsip, IL that manages municipal backflow programs and works directly with local certified cross-connection plumbers. Property owners hire a plumber to perform the test and the plumber is responsible for uploading the results to BSI’s online portal where City staff can then access and manage the data. The contractor pays an administrative fee in the portal for each device on behalf of the property owner.

The terms of this agreement with BSI will be largely the same as the 2021 agreement:

- BSI will be responsible for maintaining a secured online database and tracking system.
- BSI will send up to four notices annually to each backflow customer.
- The initial “Test Due Notice” will be mailed approximately 30 days prior to the scheduled test date.
- There will be an annual fee to the City of \$1,090.

- BSI will verify all pertinent credentials of the testing companies.
- The City will be assigned their own personal contact within BSI, who will be available to answer any questions and to assist with reports, notifications, or any customer service issue.
- The Agreement can be cancelled for any reason with 30 days-notice.

One updated item for this agreement is the BSI's data entry charge of \$14.95 will rise to \$15.95 per report. This fee is charged to the plumber and passed on to the property owner. The City will reduce its \$5 fee per test to \$4 per test. As a result, property owners will still see a total charge of \$19.95 per device, which is the same as it has been for the past three years.

Based on the City's Purchasing Policy and the low annual fee the City would be charged (\$1,090), it has been determined that the City can forgo a formal procurement search utilizing the Flexible Purchasing option. It states any procurement for services less than \$2,500 can be awarded utilizing a method determined by the Department Head to be the most effective means and value for the City.

Recommendation: Staff recommends that City Council waive bidding requirements and approve Resolution R-9-24 approving a Service Agreement with Backflow Solutions, Inc.

The Consultant shall perform the Services with its own personnel and under the management, supervision, and control of its own organization unless otherwise approved in advance by the City in writing. All subcontractors and subcontracts used by the Consultant shall be acceptable to, and approved in advance by, the City. The City's approval of any subcontractor or subcontract shall not relieve the Consultant of full responsibility and liability for the provision, performance, and completion of the Services as required by this Agreement. All Services performed under any subcontract shall be subject to all of the provisions of this Agreement in the same manner as if performed by employees of the Consultant. For purposes of this Agreement, the term "Consultant" shall be deemed also to refer to all subcontractors of the Consultant, and every subcontract shall include a provision binding the subcontractor to all provisions of this Agreement.

The insurance coverages and limits set forth in this Section 6.C shall be deemed to be minimum coverages and limits, and shall not be construed in any way as a limitation on the Consultant's duty to carry

adequate insurance or on the Consultant's liability for losses or damages under this Agreement.

D. No Personal Liability. No elected or appointed official or employee of the City shall be personally liable, in law or in contract, to the Consultant as the result of the execution of this Agreement.

SECTION 7. CONSULTANT AGREEMENT GENERAL PROVISIONS.

A. Relationship of the Parties. The Consultant shall act as an independent contractor in providing and performing the Services. Nothing in, nor done pursuant to, this Agreement shall be construed: (1) to create the relationship of principal and agent, employer and employee, partners, or joint venturers between the City and Consultant; or (2) to create any relationship between the City and any subcontractor of the Consultant.

B. Conflict of Interest. The Consultant represents and certifies that, to the best of its knowledge: (1) no elected or appointed City official, employee or agent has a personal financial interest in the business of the Consultant or in this Agreement, or has personally received payment or other consideration for this Agreement; (2) as of the date of this Agreement, neither Consultant nor any person employed or associated with Consultant has any interest that would conflict in any manner or degree with the performance of the obligations under this Agreement; and (3) neither Consultant nor any person employed by or associated with Consultant shall at any time during the term of this Agreement obtain or acquire any interest that would conflict in any manner or degree with the performance of the obligations under this Agreement.

C. No Collusion. The Consultant represents and certifies that the Consultant is not barred from contracting with a unit of state or local government as a result of: (1) a delinquency in the payment of any tax administered by the Illinois Department of Revenue, unless the Consultant is contesting, in accordance with the procedures established by the appropriate revenue act, its liability for the tax or the amount of the tax, as set forth in Section 11-42.1-1 *et seq.* of the Illinois Municipal Code, 65 ILCS 5/11-42.1-1 *et seq.*; or (2) a violation of either Section 33E-3 or Section 33E-4 of Article 33E of the Criminal Code of 1961, 720 ILCS 5/33E-1 *et seq.* The Consultant represents that the only persons, firms, or corporations interested in this Agreement as principals are those disclosed to the City prior to the execution of this Agreement, and that this Agreement is made without collusion with any other person, firm, or corporation. Further, the Consultant shall have a written sexual harassment policy in compliance with Section 2-105 of the Illinois Human Rights Act.

The Consultant shall be solely liable for any fines or civil penalties that are imposed by any governmental or quasi-governmental agency or body that may arise, or be alleged to have arisen, out of or in connection with the Consultant's, or any of its subcontractors, performance of, or failure to perform, the Services or any part thereof.

3. Required Provisions. Every provision of law required by law to be inserted into this Agreement shall be deemed to be inserted herein.

F. Default. If it should appear at any time that the Consultant has failed or refused to prosecute, or has delayed in the prosecution of, the Services with diligence at a rate that assures completion of the Services in full compliance with the requirements of this Agreement, or has otherwise failed, refused, or delayed to perform or satisfy the Services or any other requirement of this Agreement ("***Event of Default***"), and fails to cure any such Event of Default within ten business days after the Consultant's receipt of written notice of such Event of Default from the City, then the City shall have the right, without prejudice to any other remedies provided by law or equity, to pursue any one or more of the following remedies:

1. Cure by Consultant. The City may require the Consultant, within a reasonable time, to complete or correct all or any part of the Services that are the subject of the Event of Default; and to take any or all other action necessary to bring the Consultant and the Services into compliance with this Agreement.

At such time as the Services have been completed to the satisfaction of the City, the Consultant shall cease its use of the GIS Data for any purpose whatsoever, and remove the GIS Data from all of the Consultant's databases, files, and records; and, upon request, an authorized representative of the City shall be afforded sufficient access to the Consultant's premises and data processing equipment to verify compliance by the Consultant with this Section 7.L.3.e.
