

AGENDA ITEM SUMMARY SHEET
VILLAGE COUNCIL MEETING
June 21, 2023

Agenda Item:

8801 Corkscrew Road Debris – EC 2023-21 Amendment 1

Motion to approve Amendment 1 to Contract EC 2023-21 to mulch all debris and downed trees located at 8801 Corkscrew Road for \$11,886.89.

Authorize the Village Manager to sign the contract amendment and other additional implementing documents within the scope of the contract amendment on behalf of the Village of Estero Council.

Background:

On February 15, 2023, Village Council approved EC 2023-21 with Milborne, LLC for the treatment of Non-Native Invasive and Nuisance Plants on the Estero on the River Property located south of The Estero River. Milborne is currently onsite completing this work.

The property located at 8801 Corkscrew Road has debris and downed trees on the property.

Description:

Removing the debris and downed trees at 8801 Corkscrew Road by Milborne while they are completing the plant treatments will be cost effective and timely for the Village.

Village Staff is recommending adding this work to contract EC 2023-21.

Action Requested:

Motion to approve Amendment 1 to Contract EC 2023-21 to mulch all debris and downed trees located at 8801 Corkscrew Road for \$11,886.89.

Authorize the Village Manager to sign the contract amendment and other additional implementing documents within the scope of the contract amendment on behalf of the Village of Estero Council.

Process and Timeline:

Milborne will start work on the contract within 2-weeks of contract execution. The work is expected to take 1 week to complete.

Financial Impact:

The proposed contract's financial impact is \$11,886.89. The Fiscal Year 2022/2023 budget includes \$2,250,000 for improvements to the Estero on the River property. There are sufficient funds available for the proposed project.
