Disaster Debris Recovery Services ITB 100224

Approve award of Invitation to Bid 100224, Disaster Recovery Services for the Village of Estero to CrowderGulf Joint Venture, Inc. to provide on-call disaster recovery services as provided in the solicitation. Authorize the Village Manager to execute a contract document on behalf of the Village of Estero Council. Grant the Village Manager the authority to renegotiate and execute the renewal of this contract for three (3) additional one (1) year terms under the same terms and conditions, if doing so is in the best interest of the Village of Estero.

Background:

This service was last bid in 2020 with a one-year original term and three one-year extensions were exercised and expiring in July 2024.

Description:

As part of its disaster preparedness program and to ensure FEMA reimbursement, the Village of Estero contracts with a professional firm which specializes in a variety of disaster recovery related services. The Village has competitively bid these services to private contractors under ITB 100224.

The awarded vendor will provide disaster debris recovery related services such as large-scale debris removal, hazardous waste handling, tree/stump removal, and debris removal from streets on an on-call/as-needed basis. Bids were received on June 24, 2024. The Village received one bid which was from the incumbent provider.

The action requested approves the award of the bid to the lowest responsive and responsible bidder and authorizes the Village Manager to execute a final contract with the vendor. Time constraints prevented execution of the final contract but when completed, the contract will be brought back to the Council for approval when sessions resume.
