

In Recognition
To
Miles Brown/Estero High School

Miles has earned an impressive 5.46 GPA and is a recipient of the prestigious ACE Diploma. During his senior year, he challenged himself as a full-time dual enrollment student at Florida Gulf Coast University, where he earned a perfect 4.0 GPA and was named to the President's List—an honor reserved for students demonstrating the highest academic excellence.

In addition to his academic success, Miles serves as TSA Club President, where his leadership and enthusiasm consistently enhance our school community. As an active member of multiple clubs at EHS, he demonstrates initiative, collaboration, and a commitment to service.

Miles' participation in athletics, particularly baseball, reflects his discipline, perseverance, and ability to balance rigorous academics with extracurricular responsibilities. His natural leadership and positive influence extend across campus, where he is widely recognized as an academic warrior. With integrity, kindness, and a strong work ethic, Miles is a model representative of EHS.

Presented on this 18th day of March 2026.
