TESTIMONIALS FROM OUR NEIGHBORS

"As a woman in my 60s, I found myself suddenly needing financial help. When I contacted The View, they not only agreed to help—they simply asked to meet regularly to review my budget. At first, I was hesitant. I thought they'd force me to make big changes I wasn't ready for. But to my surprise, that didn't happen. Linda and Wayne are absolutely wonderful—and they've taught me so much about my spending habits. I actually look forward to our meetings now!"

— Michelle, Budget Coaching Client

"I am so thankful for The View for helping me keep my home and car by working with me on my budget. Now I can proudly say my car is paid off—and next will be my other debts! Linda and Wayne are such a blessing."

— Nadine, Budget Coaching Participant

Whatever you did for one of the least of these brothers and sisters of mine, you did for me."
