

TOWN OF FALMOUTH RESOLUTION

In Support of the Town Manager Executing a 10-Year Contract with Axon Law Enforcement Technology

WHEREAS, since 2022/2023, the Falmouth Police Department has contracted with Axon Law Enforcement Technology to provide officer body-worn cameras, cruiser cameras, including automated license plate reader technology, tasers, evidence.com storage software, and drone equipment (drone equipment only recently and officers have carried Axon's tasers since 2011);

WHEREAS, Axon is the market leader for this technology;

WHEREAS, a new contract with Axon would also include the Department's fixed intersection automated license plate reader cameras, terminating the Department's existing contract with Flock Safety; and

WHEREAS, although the overall new contract annual expense is higher than the current contract due to increases in services and inflationary adjustments, a 10-year contract with a fixed annual rate would provide significant cost savings over annual or 5-year renewals.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF FALMOUTH ASSEMBLED THIS 1st DAY OF JUNE, 2026, THAT:

the Council supports the Town Manager executing a 10-Year Contract with Axon Law Enforcement Technology.

Attest: _____
Ellen Planer, Town Clerk
