Good morning,

After review of the proposed annexation request, I have no objection. Future fire protection requirements for subdivision development will be evaluated during site and construction plan review.

Subject: Proposed Annexation 0 Kidd Road, Ringemann Property

Good morning gentleman,

Can you review the proposed annexation territory and let Planning Staff know if you see any issues with this annexation request. Please let us know if you have any contest to this annexation or not, along with any concerns you may have.

Thanks,

Adam Ray
