FORMAL PROPOSAL

**Terms Details: If FastLane is to supply the vehicle as part of this project, we can neither guarantee the model year nor pricing of the vehicle proposed. Recent events have caused both Ford and GM to cancel and reject chassis orders all together. FastLane will confirm model year and pricing once the order is submitted to the vehicle manufacturer and remain in continuous contact with the customer with any changes or updates. If this proposal includes an in-stock chassis provided by FastLane, full payment of the chassis is due within 15 days after receipt of order to ensure accuracy of the price quoted and to secure the vehicle for upfit. Title and ownership of the vehicle will be transferred to the customer once payment has cleared and paperwork received from manufacturer. If terms include deposit/COD the deposit amount of 25% of the Total Project Cost (not to include the Vehicle Net price) is due within 15 days after receipt of order.*
