

STAFF MEMORANDUM

TO: Board of Mayor and Aldermen
FROM: Ryan LaMunyon, AGM-Reclamation
DATE: 07/20/2026
SUBJECT: Resolution 26-222 – Authorization to Execute Installation Services for Clarifier No. 2 Weir and Scum Baffle Replacement

RECOMMENDATION: Staff recommends approval of Resolution 26-222 authorizing the execution of an installation services with BAR Environmental Supply, Inc. for the installation of replacement FRP weirs and scum baffles in Clarifier No. 2 at the Water Reclamation Facility in the amount of \$46,375.00.

BACKGROUND: The City has previously approved the purchase of replacement fiberglass reinforced plastic (FRP) weirs and scum baffles for Clarifier No. 2 to restore proper hydraulic performance and improve the reliability of the secondary treatment process. Installation of these components requires specialized technical expertise, field measurements, removal of the existing anchoring system, site preparation, and precision installation to ensure the clarifier is restored to manufacturer specifications.

BAR Environmental Supply, Inc. is the sole authorized regional provider qualified to perform this installation. As the authorized distributor and service provider for the proprietary Enduro Composites clarifier components throughout Middle and East Tennessee, BAR possesses the specialized knowledge, equipment, and manufacturer support necessary to properly install the replacement system. Utilizing BAR Environmental ensures the installation is completed in accordance with manufacturer requirements, preserves product performance, and minimizes operational risks associated with improper installation.

The proposed scope of work includes field measurements, removal of existing anchors, site preparation, installation of the new weirs and scum baffles, and all miscellaneous materials necessary to complete the project.

FINANCIAL IMPACT: Funding for this installation is available in the FY 2026/2027 Budget under the Water Reclamation Facility Repairs and Maintenance Budget 410-52210-52621. The total cost of the installation services is \$46,375.00.
