

Board Report Date: June 14, 2022

Title: Bus Purchase Approval

Submitted by: Janette Jeffris, Executive Director of Business & Operations

Background: The attached quote follows the 4-Year Bus Replacement Plan as presented to the board for the 2021-22 Budget adoption which included enough budget for purchase of 2 buses in 22-23 Fiscal Year.

Discussion: The attached includes a quote for one C60 Diesel Lift bus totaling \$168,111.07, including tax. Attached is also the 8-Year Bus Replacement plan updated for the 22-23 Budget. Due to delivery delays we anticipate receiving previously ordered buses this fall which puts the cost in the 22-23 fiscal year.

Budgetary Funding: The Transportation Vehicle Fund budget will include \$325,000 for the purchase of two buses in addition to the already ordered buses (see attached). The Transportation Vehicle Fund will cover the full cost of the new bus, including tax. If funding allows, in the 22-23 fiscal year, the options on this new bus may be paid from General Fund Transportation instead of the Transportation Vehicle Fund.

Recommendation: Administration recommends that the Board approve the purchase of one C60 Diesel Lift bus as described above from Bryson at a total cost of \$168,111.07.
