

**Living the Dream**

The image shows the front entrance of Building A. The floor is covered in a dark blue and grey patterned carpet. To the left, a light blue wall has a large, bright yellow rectangular shadow cast upon it. In the center, a glass door with a metal frame is open, revealing a hallway with a similar carpet and a white wall. To the right, another glass door is partially visible, with a sign on it that reads "CLOSED" and "CLOSED ON NATIONAL HOLIDAYS AND NON-CONTRACTED SCHOOL DAYS".

Building A- Front Entrance

Building A- Foyer

Building A- Culinary Arts Classroom

# Building A- Temporary Office

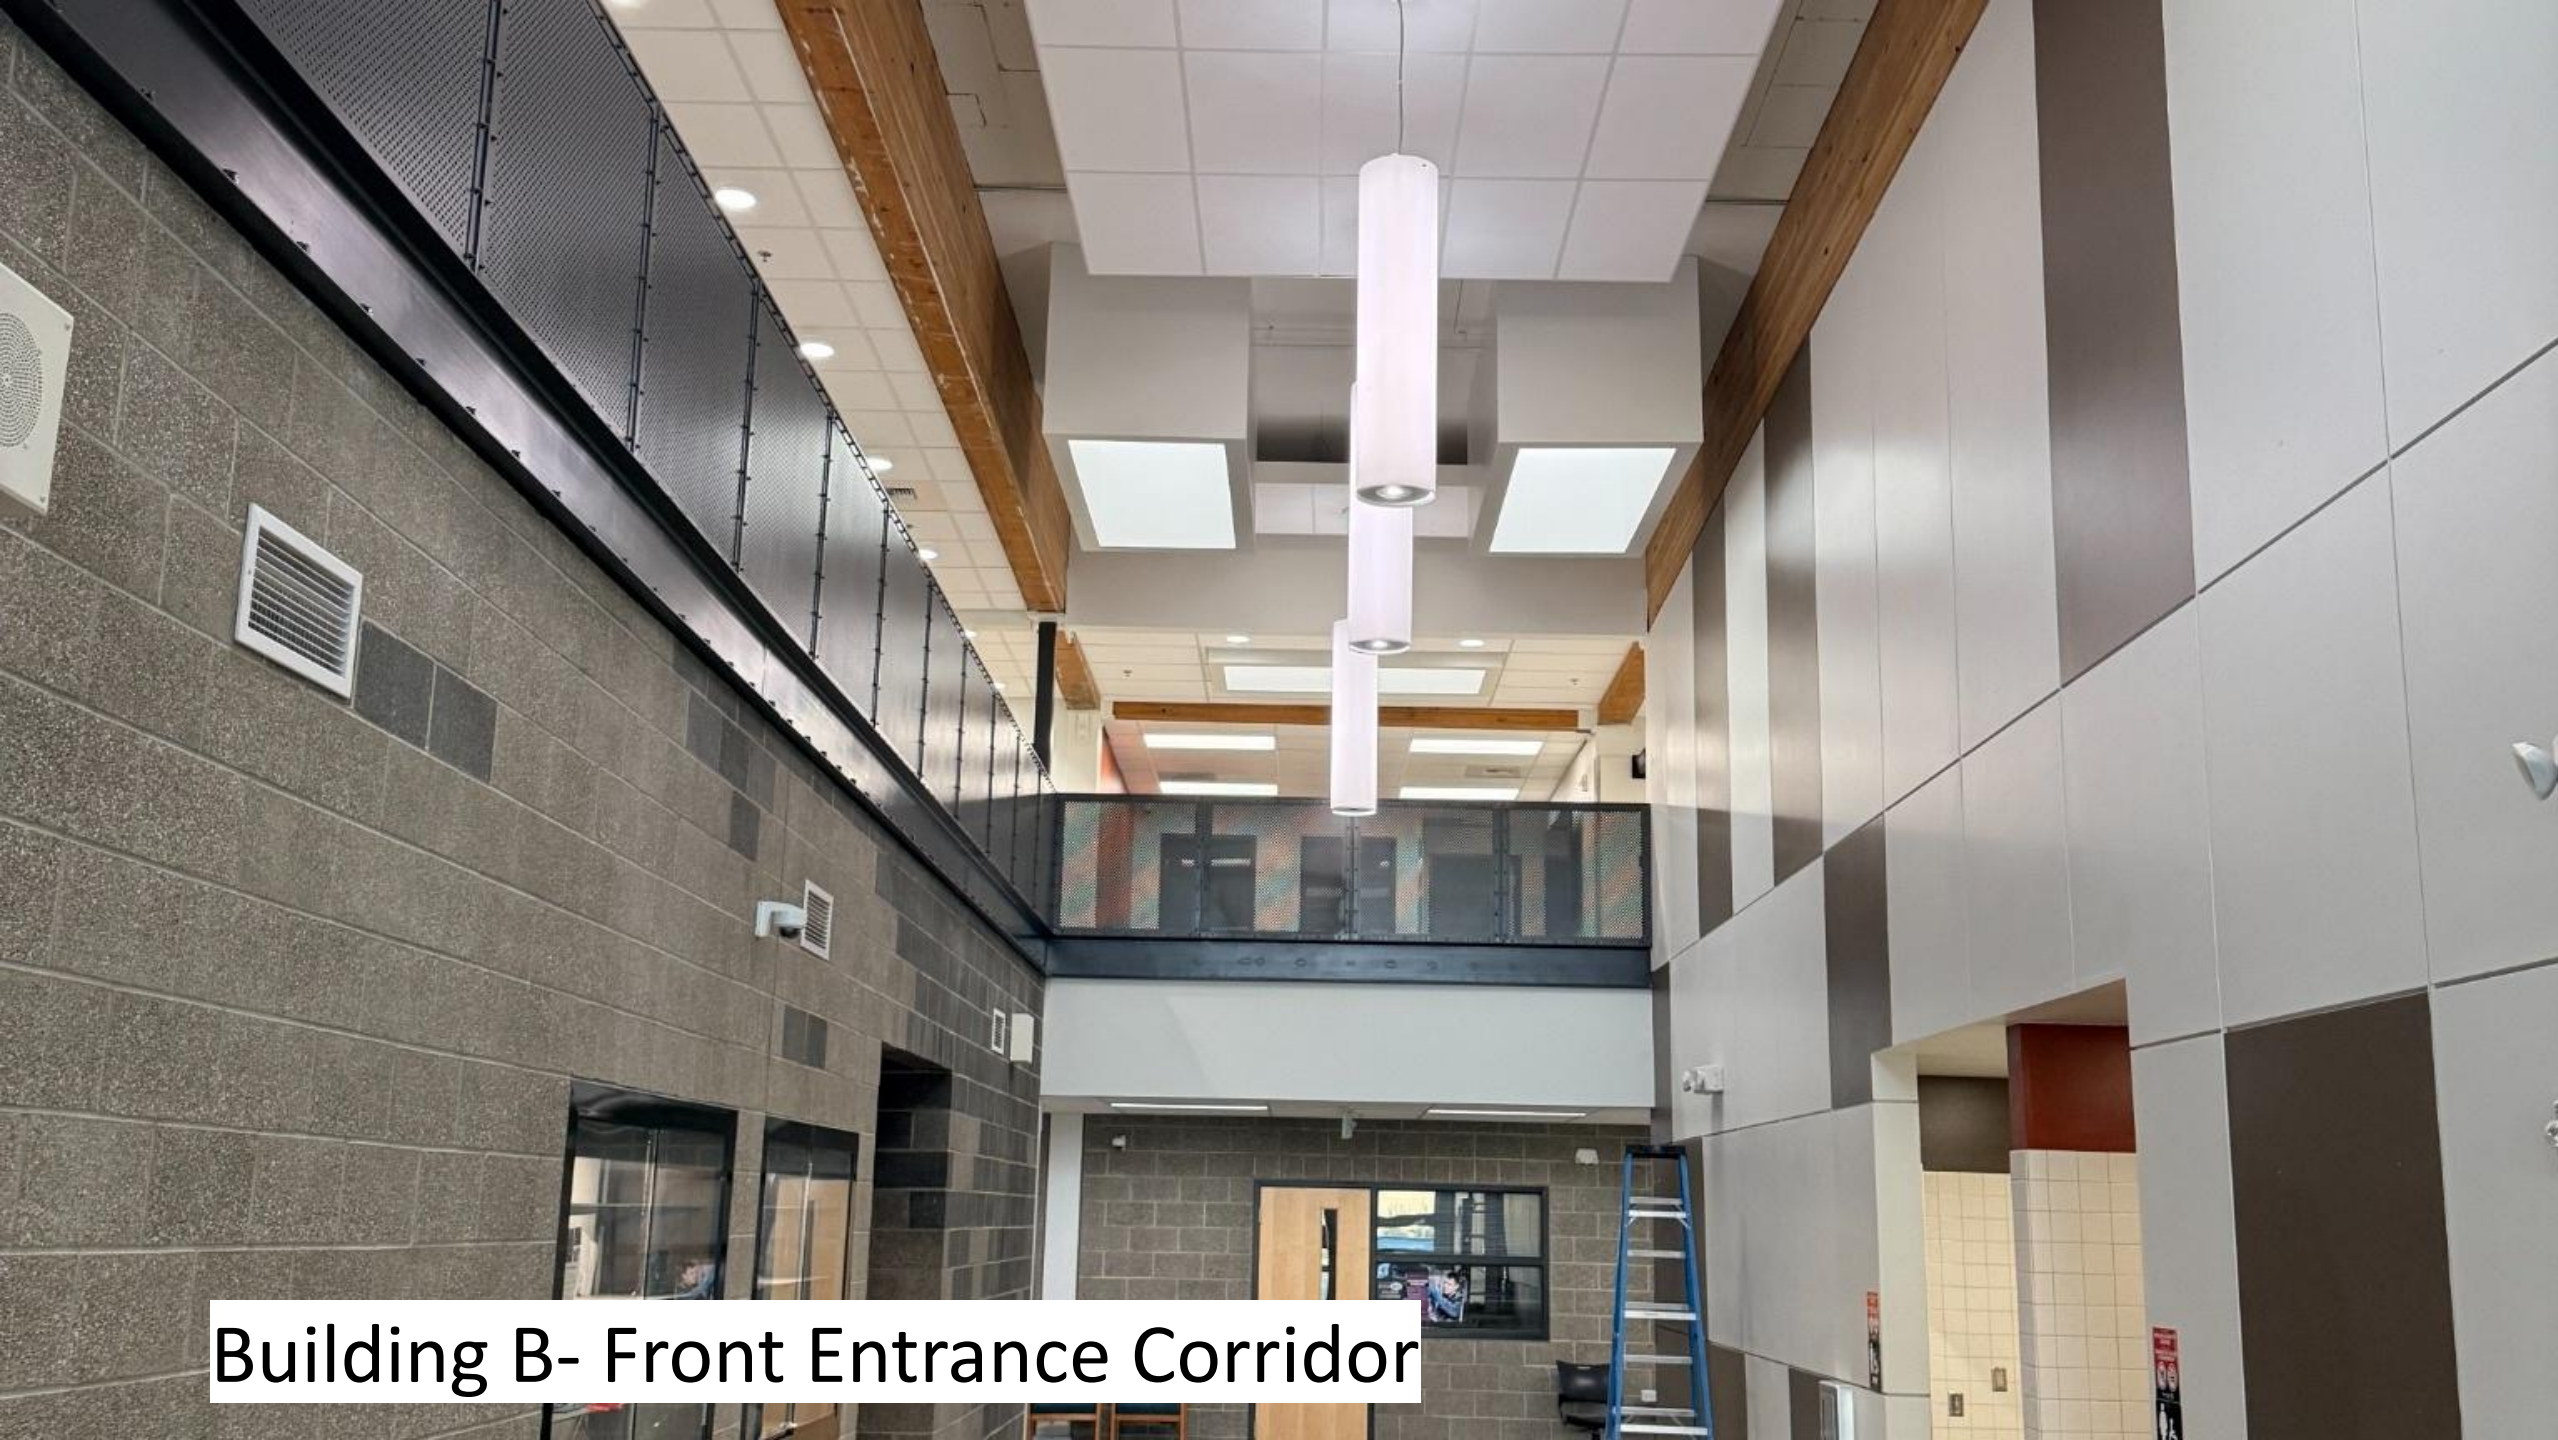

A photograph of a modern building under construction. The building features large, light-colored concrete panels and several rectangular openings. Several long wooden poles are leaning against the left side of the building. In the foreground, there is a dirt area with orange and white striped safety cones, a black barrel, and a chain-link fence. To the right, a yellow building is visible in the background. The sky is clear and blue.

FIRE SCIENCE- Mid October

## Building B- Fire Science Temporary Space

Building B- Front Entrance Corridor

A photograph of a modern staircase. The stairs have dark, possibly black, steps and are flanked by metal railings. To the left of the stairs is a wall made of dark, textured bricks. To the right is a bright white hallway with a dark door at the end. The ceiling is white with recessed lighting. The overall aesthetic is clean and contemporary.
